# Our Services

## Freight Forwarding

Efficient and cost-effective freight solutions for reliable global cargo transport.

## Direct LCL Service

Cost-effective transport for smaller shipments, ensuring timely and reliable delivery.

## Warehousing And Distribution

Scalable warehousing solutions optimizing your supply chain from storage to distribution.

## Yacht Logistics

Specialized services catering to the unique needs of yacht owners, ensuring a smooth journey.

Freight Forwarding

# Ocean Freight

Embark on a journey of unparalleled ocean freight services with us. At Masterglobal Logistics LLC, we specialize in facilitating smooth and efficient import and export services across the globe.

Our comprehensive offerings include a diverse range of options tailored to meet your specific shipping needs. One of our standout features is our specialized Direct Less than Container Load (LCL) service, connecting Dubai to a host of exotic destinations- Seychelles, Maldives, Mauritius, Comoros, Mayotte, Zanzibar, Zambia, and Uganda.

We pride ourselves on our commitment to excellence, ensuring that your cargo is handled with the utmost care and precision. Our custom bonded free zone warehouse in Jebel Ali serves as a strategic hub, enabling us to seamlessly accept LCL shipments from worldwide locations to both Jebel Ali and the destinations mentioned above.

Experience a new standard of efficiency and reliability in global ocean freight with Masterglobal Logistics LLC. Let us navigate your cargo to its destination, providing you with peace of mind and confidence in every shipment.

Freight Forwarding

# Air Freight

At Masterglobal, we excel in air freight services, prioritizing speed and reliability. As Dubai's premier provider, we ensure precise and efficient delivery of all cargo, including urgent, delicate, and dangerous goods.

Our daily direct services connect you seamlessly to destinations such as Seychelles, Maldives, Mauritius, and more, guaranteeing swift and reliable delivery.

Specializing in safe transportation of dangerous goods, we adhere strictly to IATA DGR regulations, certified by the General Civil Aviation Authority UAE.

Our expert team, licensed by IATA, handles packing, documentation, and labeling with meticulous care, ensuring compliance and safety throughout. Count on us for Aircraft on Ground (AOG) situations, where we maintain our commitment to precision, urgency, and compliance. Trust Master Global Logistics for your air freight needs and experience swift, secure, and compliant transportation worldwide.

Freight Forwarding

# Road Freight

Masterglobal Logistics offers flexible road freight solutions in Dubai, tailored to your needs. With access to diverse equipment and capacity, our professional team matches your freight with the ideal vehicle and route, ensuring adaptability to changing conditions. Trust us to deliver a customized solution, managing the process from end to end to meet your exact requirements.

Freight Forwarding

# Direct LCL Service

Efficiency meets flexibility with our Direct LCL (Less than Container Load) Services. Benefit from cost-effective transportation for smaller shipments without compromising on reliability. We streamline the process, ensuring your cargo reaches its destination on time

Seychelles

Zanzibar

Zambia

Uganda

Comoros

Mayotte
